Subject or topic _____ Grade _____ Date _____

Do not write your name. There are no right answers: your honest view helps your teacher plan lessons for students like you.

Statement	Agree	Not sure	Disagree	Skip
I understand what I am learning and why.				
Lessons start with something that helps me remember earlier work.				
The explanations and examples help me understand.				
I know how to improve my work.				
I feel able to ask a question or say when I am stuck.				
The work is hard enough to make me think, but I can do it.				
Homework helps me practice what we learned.				
I feel safe and respected in this class.				

What helps you learn most in this subject?

One thing that would make lessons better for you
