

# Unit Plan

Sequence a unit lesson by lesson: standards, objectives, activities, assessment

Subject \_\_\_\_\_ Grade \_\_\_\_\_ Unit title \_\_\_\_\_ Length (weeks / lessons) \_\_\_\_\_

## Essential question / enduring understanding

.....  
.....

## Prior knowledge

.....  
.....

## Summative assessment

.....  
.....

## LESSON SEQUENCE

| Lesson | Standards | Learning objective | Key content and vocabulary | Activities | Assessment | Materials |
|--------|-----------|--------------------|----------------------------|------------|------------|-----------|
| 1      |           |                    |                            |            |            |           |
| 2      |           |                    |                            |            |            |           |
| 3      |           |                    |                            |            |            |           |
| 4      |           |                    |                            |            |            |           |
| 5      |           |                    |                            |            |            |           |
| 6      |           |                    |                            |            |            |           |
| 7      |           |                    |                            |            |            |           |
| 8      |           |                    |                            |            |            |           |
